**Announcement of price revisions for the Oral Rehydration Solution OS-1<sup>®</sup> series**

Otsuka Pharmaceutical Factory, Inc. (Head Office: Naruto, Tokushima, Japan; President and Representative Director: Shinichi Ogasawara) announces price revisions for the Oral Rehydration Solution OS-1<sup>®</sup> series. The new pricing will be applied to products shipped from March 1, 2023.

Until now, we have worked to ensure a stable supply of products while maintaining prices by improving production efficiency and streamlining management in response to rising global prices for raw materials, energy, and other items. However, it has become difficult to maintain the current prices through corporate efforts alone, and we have decided to increase the prices for the products below.

Going forward, we will continue to make even greater management efforts while working to ensure a stable supply of high-quality products. Thank you for your understanding.
