Announcement of Price Revisions for Oronine H Ointment

Otsuka Pharmaceutical Factory, Inc. (Head Office: Naruto, Tokushima, Japan; President and Representative Director: Shuichi Takagi) announces a price revision for Oronine H Ointment, effective from products delivered on July 1, 2025.

Until now, we have worked to ensure a stable supply of products while maintaining prices by improving production efficiency and streamlining management in response to rising global prices for raw materials, energy, and other items. However, it has become difficult to maintain the current prices through corporate efforts alone, and we have decided to implement a price revision for the products listed below.

Going forward, we will continue to make even greater management efforts while working to ensure a stable supply of safe, reliable, and high-quality products. Thank you for your understanding.
